

TIMELINES

November 2008 Victorian Local Government elections

This timeline indicates the general timing around formal electoral processes between September and November for the Local Government elections in November 2008.

Not to be confused with when to start campaigning - the sooner the better for starting your campaign!

For more info about campaigning, download the publication *A Gender Agenda* from this website. Alternatively, if you would like a hard copy, order a copy for a small postage fee. The order form is downloadable where you find the publication.
