

# ***GLOVE – Project Plan***

***Presentation to Loddon Service Providers Meeting***

***23<sup>rd</sup> May 2007***

## **Introduction to Project “Overview”**

- **“What’s in this for Loddon Shire”**
  - Lack of engagement between service providers & local govt
  - Local Government leadership role in engaging its communities
- **Statistics – How relevant is this issue?**
  - Cost of violence in the community (refer report)
  - Number of incidents
  - Types of incidents
- **Who else involved? Outcomes from project? Timeframe? In-kind \$’s?**
- **Project Aims**
  - Better communication and coordination between providers:
    - Spheres of Govt, community members & service providers
  - Stakeholders working together to address policy, planning and coordination of service delivery
- **What’s been completed thus far?**
  - Community Workshop completed December 2006
  - Service Mapping Completed
    - Distribution of chart and input from providers?
- **Where to from here?**
  - *Overview of Cost Benefit Analysis?*
  - *Funding from PCP \$5,000*
  - *Project Worker for 7 weeks (135 hours)*
  - *Why we want to do this?*
    - *Ie Demonstrate to State Govt that funding would provide a financial benefit within our communities*
    - *“In the case of domestic violence/sexual assault prevention cost effectiveness means that the prevention program costs society less than it would cost to deal with the resulting consequences of domestic violence/sexual assault were there no prevention programs”*
  - *Identification of 1 or 2 programs that could be evaluated?*
- **Long Term Objectives:**
  - *Change policy of Local Government?*
  - *Access funding from Philanthropic, State and/or Federal Government?*
