

## **Pokies Post 2012:**

**the  
brave  
new  
spin?**

A great deal is being said about the impact of proposed legislation currently before Parliament, as well as community advocacy around the new pokies licences.

This Leading Edge Forum is ideal for councillors, council staff and community members concerned about the links between pokies and problem gambling, but who need to know more about the 'brave new world' being proposed.

An interactive opportunity to join 3 people with their fingers 'on the pulse' of all the current developments.
