

2010 Study Award

Inc: A0020254K

Overview

The Victorian Branch of the Australian Local Government Women's Association has established an Annual Study Award to encourage and assist women in the Local Government sector in furthering their education.

The application is open to permanent members of staff in a Victorian Shire or Council.

The Award is given in memory of past State and National President of ALGWA Marie Wallace OAM JP. Marie devoted many years of service to the Association and was an advocate for women's participation in Local Government not only as elected members but in the many career opportunities presented.

The applicant must have commenced studies at a Diploma level or higher, at a recognised tertiary institution on a part time or external basis and must demonstrate an ability to make a positive contribution to their area of employment and their employer through further tertiary study.

Applicant Information

1. Applications must be received by the close of business on **Monday 6th September 2010**.
2. A letter of reference is required from a General Manager/ Director and should address work performance. Reference to include comment on any major workplace achievements, and provide evidence of commitment towards professional development and to local government.
3. Application must be accompanied by a 500 word submission stating;-
 - (a) What the applicant believes to be the major factors impacting on the future of Local Government
 - (b) How you see your role in this context?
 - (c) How women in your Community and Local Government will benefit from your contribution in the workplace and your studies?
4. Original applications will only be accepted.
No faxed or emailed applications can be accepted.
