

Strategy for local governments and communities to work together to prevent violence against women 2009

Local Government: .....  
 authority resources expertise information need

<i>Buy in from Leaderships *</i>	Whose buy in do we need?	What does it bring to the table?	How will we get it?	When?	Who is responsible?
<b>Political leaders</b>					
<b>Administrative leaders</b>					
<b>Community leaders</b>					
<b>Supporting research/policy/resources, etc</b>					

\* from an idea of Carolyn Whitzman 2008 *Handbook of community safety, gender and violence prevention* Earthscan

Strategy for local governments and communities to work together to prevent violence against women 2009

**Notes/ things to follow up/ questions:**
